Dear Ailis,

It has been our pleasure to have your excellent work "Shelter" performed at the History Museum of Bosnia and Herzegovina Sarajevo in March 2017, accompanying the exhibition "Shelter" by Jim Marshall, within the program of the Irish Festival. We are very delighted to have been able to show your work to our visitors until the Jim Marshall exhibition is on display, i.e., until the beginning of June 2017, with possibility of extending it during the summer. Moreover, we are extremely delighted that we have agreed that the work will become part of the museum collection and will be integrative part of "Shelter" exhibition.

I am looking forward to our future encounters and cooperation. Wish you great luck with your work in the future.

Best regards,

Elma Hašimbegović, Museum director
